

VL-MKII-RL/W & VL-MKII-RL/C

Wall Mount or Ceiling Mount

VL-MKII-RL/W

VL-MKII-RL/C

Description

There are two models for the Remote LED Indicator:

Wall mount type VL-MKII-RL/W

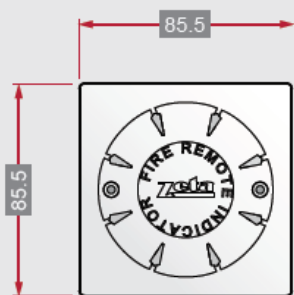

Ceiling mount type (requires a base) MKII-RL/C.

Each unit has 2 LEDs that light up to indicate an alarm. It has the 8 LED appearance to keep it's family identity.

The MKII-RL/W is supplied with a backbox for surface mounting. It is also available without backbox for flush fitting.

Technical Specifications

	VL-MKII-RL/W	VL-MKII-RL/C
Part No.	48-032	48-031
Quiescent Current	450µA	450µA
Alarm current	2.10mA	2.10mA
Dimensions (mm)	(W) 85.5 x (H) 85.5 x (D) 60	(Dia) 100 x (D) 40
IP Rating	IP43	IP43
System Voltage	17 to 28 Vdc	17 to 28Vdc

Dimensions (mm) & Weight (g)

140 g

135 g
